

# 謹賀新年

平成貳拾八年(西暦2016年)丙申元旦

FEMALE ORANG-UTAN. (*From a photograph*)

Alfred Russel Wallace, *The Malay Archipelago: The land of the bird of paradise*, A narrative of travel, with studies of man and nature, Macmillan and Co., London 1869 より複寫。

アルフレッド・ラッセル・ウォーレス、1869年ロンドン刊の自著『マレー諸島：オランウータン及び極樂鳥の地』冒頭に、「『種の起源』の著者たるチャールス・ダーウィンへ、個人的尊敬と友情の徴としてのみならず彼の才能と仕事への深い驚嘆を表して本書を捧ぐ。」と記せり。

彼等ホモサピエンス遠き未來に如何なる種に進化せんと説き給ひしや。

## A Happy New Year

1st January 2016, the 28th Year of the Heisei Era. Fire-elder/Monkey

FEMALE ORANG-UTAN. (*From a photograph*)

Duplicated from: Alfred Russel Wallace, *The Malay Archipelago: The land of the bird of paradise*, A narrative of travel, with studies of man and nature, Macmillan and Co., London 1869.

Alfred Russel Wallace wrote on the top of his book, *The Malay Archipelago: The land of the bird of paradise*, London 1869, “To Charles Darwin, Author of *Origin of Species*, I dedicate this book, Not only as a token of personal esteem and friendship, But also to express my deep admiration for his genius and his works.”

Did they tell us into what species *Homo sapiens* will evolve in the distant future?

Masatoshi Iguchi,
